

A&C Corporate Services

A&C Advisors is able to provide Investment Managers and their Attorneys with the expertise they need to create, administer and manage all of their corporate services with a single point of contact. Leveraging our over twenty years of experience in the investment management industry and our national network, A&C works with clients to provide them with the accurate and complete services they need to set-up, manage and maintain entities throughout the entire United States.

A&C offers the following corporate formation and monitoring services for clients in all 50 States:

1. Entity Formations and Registrations
2. Articles of Incorporations for Corporations
3. Registered Agent Services
4. Contract Agency Services
5. Corporation Kits
6. Publication Services
7. EIN Acquisitions
8. Annual Report Filings
9. Filing of Documents to Insure Good Standing
10. Partnership Representative Services

A&C provides independent, accurate, and complete advice, guidance and support to the global investment management community by providing our clients with professional directors, fund governance services and strategic consulting services. The A&C Advisors' team provides a high level of personal service to investment firms to ensure that they get accurate and complete information to operate in the constantly evolving regulatory environment. Our team will monitor and track all State due dates to ensure compliance and maintenance of good standing. We also have experience in risk management, investment management operations, capital raising and product development. A&C Advisors is led by Daniel Strachman, a 20-year veteran of Wall Street, Author, Professor and Commentator.

Please contact Daniel Strachman at 917-602-9047 to discuss how we can work together.
