

SERVING THE GLOBAL INVESTMENT
MANAGEMENT INDUSTRY SINCE 2001

IT IS ABOUT YOUR GOALS AND OBJECTIVES

A&C Advisors provides real Wall Street experience to a broad spectrum of new and existing organizations. Our areas of specialty include operations, corporate governance, product development, marketing and distribution. The A&C Advisors team has worked extensively in each of these areas for both start-up and existing investment management firms. Our in-deph Wall Street professional experience is what distinguishes us in the marketplace. Our independence ensures that funds are getting independent, accurate, and complete oversight. We have clients in more than 16 countries who collectively manage more than \$35 billion in assets.

Insight

We leverage our expertise and experience to provide professional directors and fund governance services to hedge funds, mutual funds, and private equity funds.

Independence

Our commitment to corporate governance is free of conflict which is in the best interest of both managers and investors.

Dedication

We pride ourselves on developing long term relationships with our clients and providing them with personal attention. We limit our relationships to allow us to dedicate the time and resources that our clients need in today's ever-changing economic environment.

Experience

A&C Advisors works with both existing and new fund managers to leverage our experience with operations, administration, compliance, trading, brokerage, banking and marketing to provide advice, guidance and support to our clients. Our expertise working on both the buy side and sell side allows us to be true assets to our clients.
